Somaliland

Improvement of food security for poorest rural communities in Somaliland (Hargeisa and Gabiley Regions)

MOA

Italian Development
Cooperation
Ministry of Foreign Affairs

Project Strategic Objectives

Overall Objective:

To contribute to the improvement of living conditions of most poor and marginalized communities in the Somaliland.

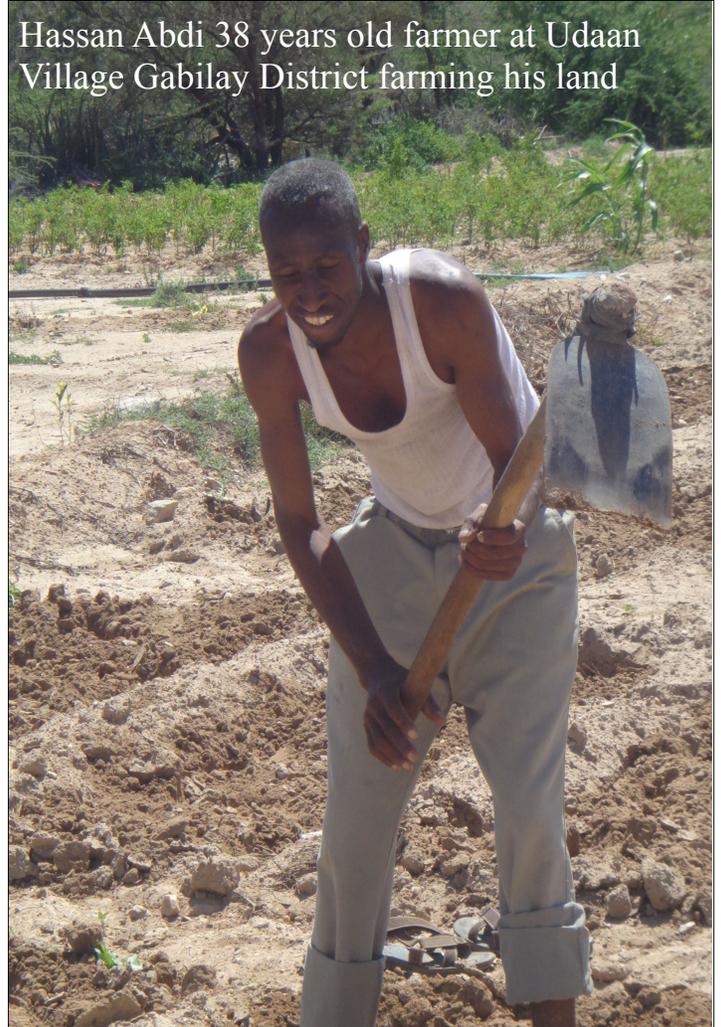

Specific Objective:

To improve food security and promote endogenous development in 21 villages, through the improvement of agricultural production, the development of new commercialization channels and the promotion of women's entrepreneurship

Rahma Mohamed Mohamud Ceelginiiseed Community Resource Person sit front side of the Sand-dam with a full of water built by Actionaid Somaliland

Hassan Abdi 38 years old farmer at Udaan Village Gabilay District farming his land

Adan Hassan Ibrahim Malugta Village farmer, show pieces of oranges harvested from his farm after been given water pump mechines by actionaid Somaliland

Expected results

1. Increased agricultural and food production by 9,000 smallholder farmers.
2. Improved capacities and marketing skills of farmers on both agricultural and non agricultural products.
3. Improved living standards of women headed households through provision of micro-credit facilities.
4. Sustainable management of natural resources in agro-pastoral areas promoted.
